The DeMolays will again act as float guides, Sam Penn Boswell, a member of the parade committee, reported. "The service of the DeMolays was invaluable during past years in keeping the floats property spaced in the parade," said Boswell who also announced that the San Benito High School Band will again head the parade.

So far four floats have been entered in the Novelty Division

in person in the parade. No assistant Santas will be allowed on the floats.

Christmas Lights Up

Christmas light streamers were hung in place downtown Sunday afternoon by the San Benito Volunteer Firemen, serving notice that the holiday season is fast approaching.

Special Santa Claus decorations were purchased this year by the chamber of commerce through the merchant's committee. The 36 lighted Santas will be added to the streamers later by the firemen.

Included in the Christmas lighting program are several blocks on Robertson and Stenger Sts. and all of Sam Houston Blvd. downtown.

into the danger zone. The cold front has now passed through Florida with temperatures predicted warmer than those Friday night in the Valley, which ranged down to 32 degrees and one unofficial report of 28 near Edinburg.

At noon today it was 71 at Brownsville and in the low 50's in the Panhandle. A high pressure area is expected to move east from Arkansas bringing partly cloudy and warmer weather to the Valley Tuesday and Wednesday. Turning cooler with scattered showers is hinted by Friday.

The forecast calls for gentle to moderate easterly winds with the low in the mid-county Monday night to be around 52 and the high Tuesday at 74.

11 Car Accidents Here In October

Eleven automobile accidents were investigated by San Benito police in October, none of which involved deaths, according to the monthly accident report issued by Police Chief William Gilbert.

Three persons were injured in wrecks last month. Vehicle damage totaled \$2,705, an average of \$246 per accident, and other damage \$372.

In October, 1958, there were no fatalities and seven injuries in 14 accidents. Vehicle damage was high — \$9,960 for an average of \$711.50 an accident. Other property damage totaled only \$15.

TO HOLD ELECTION OF OFFICERS AT BAYVIEW

BROWNSVILLE — A town officer election has been ordered for newly-incorporated Bayview by County Judge Oscar C. Dancy, to be held Dec. 14, 1959.

By a vote of 31-1 Bayview was incorporated Oct. 30.

To be elected as officers are a mayor, a marshal and five aldermen.

The election will be held at the office of Cameron County Water Improvement District No. 11 at Bayview with Mrs. H. C. Fitzpatrick named as presiding judge.

Other election officers are Mrs. W. J. Bryan, assistant judge; Mrs. Louis Riggins, clerk; and Mrs. Elmer Neek, clerk.

In other news of town incorporations, a judgement calling the incorporation of Resaca Village to be dissolved has been prepared but is waiting signatures of attorneys involved in the suit before final action is taken.

Early in October a 107th District Court jury ruled in favor of the plaintiff in the suit to have Resaca Village dissolved as a formal town.

Mrs. Vera Fitzgerald was the plaintiff and officials of Resaca Village were defendants. A move to call another incorporation election is awaiting the judgement on the original incorporation.
