He also stated that from now on during our meetings he would be enforcing Robert's Rules of Order to avoid debates getting out of control. He continued by letting everyone know that both the Bookkeeper and Building Inspector are out of town so if any Aldermen had any questions on their report to go ahead and email him and they would be answered. He stated he had toured the Town checking the condition of roads after the rainfall and found the regular spots on North Valencia and W Reparo, but in particular one spot on the Poco Parte Bridge that is a hazard and that someone could end up in the Resaca. We have put in a work order to Cameron County for repair and we are waiting for their response.
4. *Public comments and announcements:* Mayor Paris stated "this is now is the opportunity for our citizens to address the Town Council on matters relating to Town business, issues, concerns or interests, including any items that are on the agenda.
